Dear Laura:

Hello and holiday greetings. Two questions:

1. Did you receive the money and book from T.Y. Crowell. That should have been NATIVE AMERICAN TESTIMONY and \$50.00. They say they sent them. Let me know so I can fire back some words to them if you haven't received either or both.
2. Do you have Marcia Keegan's address and/or phone number. For volume 2 of my anthology the Publisher is looking for a cover photo. This volume deals with Indian/white relations as seen through Indian eyes for the general period, 1865-1978. We want a color photo to match the Indian drawing used for Volume One. I want a photo which shows something native and something non-Indian - like an America flag or something, or someone in a traditional white role-relationship with an Indian - and I thought a) she might have something and b) you might or might have an idea.

With best wishes this Christmas and warm hopes for a productive '79,

an admirer,

Peter Nabokov
