Dear Laura,

I'm writing to remind you of our correspondence and phone conversations of August and October when we inquired regarding the possibility of presenting your work at Archetype. At that time you suggested that you might have prints available ... other than the framed show ... to exhibit in April, 1978.

We would like to firm up the spring schedule as soon as possible and wonder if you might be able to predict if April is still a good time to schedule an exhibition of your prints.

We look forward to presenting your work, will certainly do so in a quality manner, and hope that you can participate in the April event.

Sincerely,

Joan E. Nowak
