Dear Miss Gilpin and Sina Brush:

Thank you for your letter of August 11 regarding your photographs. I am sorry to be so tardy in replying. We have had an unusually busy summer and then my son and I were sick with some kind of virus for two adjacent weeks.

I am wondering if you would consider sending out on approval the platinum print of SNOW CORAL, FEATHERED SERPENT COLUMNS, YUCATAN and the RIO GRANDE YIELDS ITS SURPLUS. Since we have not actually seen any of these except in a small reproduction, it is difficult to make a choice. I will pay for the postage both ways.

I hope you have been well and able to do the many things you like to do. We surely enjoyed our visit to Santa Fe and meeting you. We think of it often and hope we can come that way more often.

I spoke to the museum about trying to get your traveling exhibit of photographs but have not had a response yet. I will be in tomorrow for a trustee's meeting and will inquire again. A special celebration of the contributions women have and are making to the arts in Colorado is planned for May 1979 and that would be a special time to feature your work.

Sincerely,

Chris Petteys
