Dear Miss Gilpin:

I hope this letter finds you in good health and I trust you have had a rewarding summer. It has certainly seemed short, up here in the high country!

I just wish to use this opportunity to follow up on some details for the C.M.C. Photo Workshop I will be bringing to visit with you on Sept. 23. I plan to make a "dry run" of the trip and plan to be in Santa Fe on Sept. 9. I would like to briefly meet with you if you would be available sometime that day. In addition to getting to meet you before I bring my class, I would also like to get some ideas from you on where our class could go and whom to see.

I am going to have an article in the local paper on the workshop and I wondered if you might have a photo that we could use with the article? I shall see that it is returned to you.

I am very excited about my trip on the 9th and the workshop. I certainly do appreciate your willingness to meet with us and am eager to get the chance to meet and talk with you.

Sincerely,

Doug Rhinehart
