Dear Laura:

It was certainly good to see you again this past Saturday. As always, I enjoyed our chats and continue to appreciate the opportunities to see your photographs and listen to you talk about photography.

Last night I developed the negatives that I took and hope to send you and Sina some finished prints in the not too distant future.

I hope your portfolio printing goes well.

All of us will be pleased to see you back in Tucson some time and hope that we can look forward to the pleasure of your company once again soon.

Sincerely,

John P. Schaefer
President
