Dear Laura:

The 1978 issue of Discovery will give you a closer look at some of the scholarly work which has been in progress recently at the School.

I would particularly like to draw your attention to the two articles on dance by Claire Farrer, a current Resident Scholar, and Joann Kealiinohomoku, who was here two years ago. Hope you find this new publication of interest.

Cordially,

A handwritten signature in blue ink, appearing to read "Doug", with a stylized flourish extending from the end.
