Dear Mr. Gilpin:

The Festival Committee wishes to thank you for your participation in the 1978 Santa Fe Festival of the Arts.

This second Festival made a great deal of progress in bringing widespread recognition to the creative talent in New Mexico and to Santa Fe as a cultural center.

This year we found tremendous evidence of community interest and were successful in involving the talents and energy of dozens of people interested in supporting the arts.

Next year the Festival will open September 28 and run through October 6. We look forward to your involvement in 1979 and welcome any constructive suggestions you may have for making 1979 an even more successful Festival.

Sincerely,

Sara Sheldon
