Hi Lina -

Enclosed, my business check
for \$155.00 for the 11 x 14
silver print of the Mayan women.

I'm sorry about the communication
break-down and am very
pleased that you held on to
the print so long for me.
In response to my original
order of last May, even though
you apparently had difficulty
in locating me.

Thanks again, and I shall look
forward to receiving the photograph.
Give my best to Janna.

Peace,
Neal
