Dear Ms. Gilpin,

Enclosed is a copy of our catalog with the Cory book listed. If you might have use for any more, let us know.

Dr. Eggan will be through Flagstaff toward the end of this month, and we hope to really get into production on the book during the first week in August. Could we count on having your introduction by then? We'd be glad to handle any final editing and send you a copy for approval before the type is set.

Again, we are extremely pleased that you are participating in this project with the Museum. I hope to be in your part of the country sometime during the summer, and would appreciate the opportunity to meet you then.

Sincerely,

Rid
