Dear *Laura*,

Enclosed please find the flyer printed up for stores ~~and~~ mail-order customers.

RE THE NEW COPYRIGHT LAW: The calendar is copyrighted, of course, but I have given not only the year your image was made, but, as per the new copyright law, the year it was first published. Publication includes exhibition as well as reproduction -- whichever came first. My lawyer has informed me to inform you that you must officially copyright your image within 3 months of publication in the calendar or card through Washington. I believe the fee is \$10.00. While the new law is very much in our favor, as photographers, there has evolved a great deal of paperwork to which we must address ourselves; otherwise, the law does not help us. The information, above, applies to any publication you have had or will have after January 1, 1978. The ASMP has a complete breakdown of all the information. They have moved. I do not know the new address, but the old one -your letter would be forwarded - is ASMP
60 E. 42 St.
N.Y.C., N.Y. 10017

Please write them immediately for the info. as well as the address in Washington for the copyright application.

The cards will be out in June; the calendar in August. Calendar participants will receive complimentary copies at that time. Note card participants, please let me know which cards you want.

Again, thank you.

Sincerely,
