Att. Mrs. Lucia Bruch

Dear Lucia -

We already have the print with
the young man at the water hole —
sheep behind. What I chose was
quite different. It was a larger
print - one which you indicated
(as did Laura) that would not be
effective in a smaller version. It
was framed & hanging and another
was in your portfolio. We even looked
to see which one was better as
one was marked slightly.
If you cannot find my original

order, kindly send the two
prints that we agree on and
send me back a check for
the difference. Then when I visit
again I'll choose some others.

Thank you for your prompt
cooperation in this matter.

Sincerely
Quinn
