Dear Ms. Brush-Morales:

Thank you for your informative letter which answered the several questions I had regarding the photograph we own by Ms. Gilpin, Taos Ovens.

I'm writing now a second time hoping you can provide a bit of biographical information which we are lacking. To date we only know the year she was born, but have no location listed. Could you help us with that? In fact, if you have a copy of an up-dated resume or biography which you could send us, this would be appreciated.

Once again, thank you for your attention to our questions.

Sincerely,

Karen Tsujimoto
