Dear Ms. Brush-Morales,

Just a note to let you know that the gavelux print of "Woman, Child and Lambs" arrived last week. It is a fine print on an interesting paper and we will keep it.

However, a platinum it is not. Laura Gilpin achieved a richness in the shadow values of her platinum prints which I have not found in the work of any other photographer. Therefore if a platinum print of this image should become available I would like to be informed.

In the meantime, thank you for making the gavelux image available. Susan and I do wish Miss Gilpin better health.

Sincerely,

John Ward
