Dear Laura:

On behalf of the Director and Board of Managers of the School of American Research, I would like to thank you for the recent donation you made to the School. Your print depicting Amelia White and some Indian Arts Fund pots has been cataloged as SAR 1978-15, and is on display here in the Indian Art Research Center.

It was especially thoughtful of you to bring the print on the occasion of the first Annual Meeting to be held in the new facility.

Thank you again. We all send our best wishes to you for the upcoming year.

Sincerely,

A handwritten signature in dark ink, appearing to read "Arthur H. Wolf". The signature is fluid and cursive, with the first name "Arthur" and last name "Wolf" being the most prominent parts. The middle initial "H." is smaller and less distinct. The signature is written on a light-colored background.
