Dear Sina:

Would you please be good enough to send me a statement showing that I purchased the following items.

- |  |                          |           |
|--|--------------------------|-----------|
| 1. The Little Shepherd - 14 x 20         | 25 July 1977             | \$ 200.00 |
| 2. Grand Canyon view - Plat print 8 x 10 | purch. on 27 August 1977 | 500.00    |
| 3. Picruis Church 11 x 14                | purch. 28 Oct. 1977      | 150.00    |

I would appreciate your sending me this as soon as possible. I need this for my fine arts insurance policy.

Do I dare ask if its possible to obtain any more black and White prints for our gallery....I do hope this finds you and Laura well and having a warmer season that we have had....

I look forward to hearing from you.

Best wishes to you both,
