Dear Sina:

I learned from Mrs. Hartz yesterday that you had photographs packed and ready to be mailed to me, that you were waiting for the check. She didn't remind me how many or how much so I have enclosed my check for \$ 300. and I assume if there's a difference you will trust me to send it in the return mail.

My daughter and husband, Laurie and Jeff Miller are to be in the Santa Fe area next week and may drop in to see you and Laura.

Sorry we didn't get down there but we did have eight glorious weeks in Europe this summer. Trust all goes well with you and Laura.....Please do get the package off in the mail or ups which ever....and be assured I'll send check if need be.

Best regards to you both,

Tom Wolff
