Dear Mrs. Gilpin,

Teresa and I certainly enjoyed talking to you on Dec 29th. It was so nice of you to give us your time and attention. It is a rare privilege to talk to a "living legend" such as you. I have a great deal of respect for your tenacity and zest for living. If the photos are any good, I'll be sure and send you a copy.

Enclosed is a copy of the "Shutterbug Ads." There are several Kodak Medalist cameras advertised. I have marked them in ballpoint. On page 30, I have marked an ad for a medalist film pack adaptor outfit. I would advise calling the seller to make sure he still has it before I sent him my money. If he doesn't, I'm sure there will be others offered in subsequent issues of Shutterbug.

Once again, thanks for giving us your time. It was a genuine pleasure meeting you.

P.S. Please excuse the plain stationery. I have recently moved.

Sincerely,
Andrew Wood
