

THE COMMITTEE FOR ART AT STANFORD UNIVERSITY
Stanford California

October 13, 1978

Dear Miss Gilpin,

We feel so privileged to
have had an opportunity to
meet you and to enjoy & discuss
your magnificent photographs.
Thank you for extending to our
members an invitation to
visit your home and studio.
As you no doubt realize a
number of our members have

autographed books and Laura
Gilpin photographs to remind
them of their fascinating trip
to New Mexico.

Sincerely yours

Mrs Nancy Woodward
