

Dear Miss Gilpin,

Thank you so much for taking time to talk with me about my photographs last September. Your observations gave me many things to think about & write on. As you suggested I have tried to locate Ann Waggle but she has not been at her union office and there hasn't been any answer at her home. I will keep trying to get in touch with her.

I hope that you are feeling well and that publication of your CANYON DE CHELLY book has progressed smoothly...
