Dear Laura — Greetings from Oaxaca where I have been for 2 months & will be until mid April. I came here to get a new perspective on my life and I believe I have it. I am having an exhibition now at La Casa de la Cultura. If I could organize one for you would you accept it? There are several people here very interested in bringing about exchanges. You may contact me at 206 El Punto, Oaxaca, Oaxaca, Mexico. Best greetings for the holidays.
