

I read of your generous gift
of slides and presents to the Texas
Museum - know how much
it will be appreciated - Wish
I could get out your way this
year - perhaps next year -
I still live in White Cottage,
Wales - but came over for
some seen which we
measured this past summer -
Had a lovely month with
old friends in Florida -

May every happiness be yours
at this loveliest of seasons.

from your cousin Jane Allen
