

Dear Laura,

I've been meaning to write you a note for a long time - the time just seemed to fly by this past summer and fall! We just moved to Germany 2 weeks ago and will be here for 3 years or so. We're both real excited about being in Germany and are planning on traveling as much as possible. The only hard part is knowing that we won't be home for a long time. We're hoping that my mom, Paul & Mary Sue and Terry will all make it out here for a visit while we're here. Well - hope you have a very merry Christmas and a happy holiday season!

...and Happy Always!!

Love,
Kathy & Tim Robertson
