Dear Mary Sue,

Thanks very much for your letter and all the information. I appreciate it very much. I was glad I was able to spend those days out there and am pleased that Laura enjoyed them too.

As you probably know, I did have a long meeting with Jerry before I left and we went over a number of things then which he no doubt has told you about. I'm pleased that you are hiring a week-end cook for Laura as I'm sure she needs that.

I sent the Video Tapes of Laura off to the Amon Carter Museum people and presumably they have them in hand now. I have also gotten in touch with Gretel Ehrlich and asked her to please send her material on down too.

Let me know what goes on and again many thanks.

Most sincerely,

Lewis Allen

My assistant Shirley Hoffman is going to be in Santa Fe briefly, and she may get in touch with you.
