Dear Ms. Gilpin:

Your photographs of South Park, Colorado, contributed significantly to the success of the exhibition, INDUSTRIAL SIGHTS, which was organized for the Downtown Branch of the Whitney Museum of American Art (January 25-February 28, 1979).

We think the enclosed poster, press release, and checklist would be of interest to you. Should you want additional copies of any of the enclosed information, please feel free to contact us.

Sincerely,
