Dear Laura;

It was really good to see you at the Colorado College commencement.

I meant to say: Congratulations, Doctor Gilpin!

Our summer Photography Institute begins next week and we are certainly looking forward to having you with us on July 16. Motel reservations have been made at J's for July 15 and 16. I'm sure we will be talking on the telephone before that so that we can know when and where to meet you.

Hope that you are feeling well and that your work is going along nicely.

Best wishes,

Ben Benschneider
