Dear Miss Gilpin:

I am wondering if you still have in your files the negatives of photographs you took of my father in 1946-47. May father was Oscar E. Berninghaus, artist, Taos, New Mexico. He passed away in 1952.

I do have two prints now - one where his face is slightly turned to the left and holding his pipe about his coat collar high. This is my favorite. In the other print he is looking straight ahead holding his pipe right in front of him.

If you have the negatives could you print up for me - 6 glossies (3 of each pose), and 6 matt prints (3 of each pose), all 8 by 10? I would so, very much appreciate having these and you could enclose your bill when you send them.

For reference I refer you to Mr. David Woodard, President of the First State Bank of Taos, Taos, New Mexico 87571.

Sincerely yours,

Dorothy Berninghaus

Thanks for my print, it is beautiful.
