Dear Laura and Sina,

Hope you are both well. I recently had a few inquiries about Laura's photographs and would like to know if the following images are available?

1. 16X20 STORM, 1946 (Bajada Hill)
(if available please send a print, I have a definite order.)

An another customer wanted to know if you could supply us either in an 8X10 or 11X14 the following prints:

1. Nursing Mother (Indian woman standing center right, backlit, holding child at breast, second (older?) child in foreground, Woman wearing light garment, hair close to head, adobe structure in background?)
(this description is from my customer!)
2. Navaho Medicine man
3. Family in covered wagon (The Dineh) on page 21 of the enduring Navaho.

I should like to hear from you at your earliest convenience, so that my customers can be advised.

We had a wonderful bout of Indian Summer...but now, a cool wind is sweeping through the city...giving us a warning of the approaching winter.

Kind regards to both
