Dear Laura Gilpin,

I just wanted to specially thank you for our visit with you a few weeks ago, ~~and~~ to thank you, too, for being so nice as to call and see how I was faring in the hospital. The trip was a bit of a blur, but I much enjoyed meeting you--I'd been looking forward to it for a very long time, and I enjoyed writing the text to the portfolio of photographs we are going to use.

I hope that your work is going well. We're all working round the clock trying to get the first issue of the magazine out. You will get one of the first copies. Thanks again for your time, and for your concern, and all best wishes to you.

Warm regards,

Karen Evans
