Dear Lew:

It was a pleasure to meet you while you were in Santa Fe. Laura was very happy that you were able to spend so many days with her. She is very proud of you.

The Bryce Canyon print is matted and waiting for a shipment of frames. It will go out this week. Please let me know about the platinum.

I am in the process of hiring a weekend cook and companion for Laura. I think that will complete the circle of round the clock companionship. Hopefully the present arrangement will suffice for a while, although at some point she may need full time nursing care. I will keep you informed.

I spoke with a broker at Merrill Lynch, who advised me of an investment savings plan that they have available, that pays the current interest rate. In addition, they have C. D.'s available tomorrow, that will pay  $13 \frac{3}{4}\%$ . These are for six months. Jerry will take care of making these investments, since he has power of attorney. He will inform you of the financial situation.

Enclosed is a note that came for you. Please let me know if there is anything I can do for you at this end.

Sincerely,

Mary Sue Walsh
