Dear Ms. Bell and Ms. Bauman:

Ms. Gilpin has asked me to thank you for your letter of Sept. 21, concerning your project exploring Women Photographers. She feels that the proposed film is important to women who have and are photographing, and to all potential viewers.

Unfortunately, Ms. Gilpin is unable to make any interview commitments at this time because she is in bad health. She regrets that she cannot assist you, and wishes you success in your endeavor.

Sincerely,

Mary Sue Walsh
secretary to Ms. Gilpin
