Dear Miss Dillon;

Thankyou so much for your letter which came several days ago. I have been awaiting an opportunity to get it properly typed. Of course I am pleased more than I can say with all that you have told me and this will be wonderful for me. My Retrospective Show has been on the road for almost 3 years now and it can still be booked through the Education Department of the Museum of New Mexico, Box 2087, Santa Fe, 87501. Of course it would please me more than I could say to have a book well-printed though I had hoped that the Hastings House books would fill the bill for a while, as they were both photogravures. Again, I would like to say how pleased I am to have heard from you in this regard, and I believe this will be the final book.

Thankyou very much indeed for all that you have thought about, in spite of my negligence in getting this letter off to you. I think that you will understand that I no longer function well at the typewriter.

Very truly yours,

Laura Gilpin
