Dear Marcia:

Laura has asked me to write to you and thank you for the prints of herself with Maria. These prints are very satisfactory and Laura is delighted with them. Last week, Laura paid a visit to Maria at San Ildefonso and took one of the prints, framed, to Maria. Maria was very pleased to have it.

Laura plans to use these prints as gifts for her family, and would like to know what you think a suitable payment would be.

Sincerely,

Mary Sue Walsh
