Dear Greta;

I have just received a xerox of the same manuscript without any changes and I am extremely disappointed in the situation as it is right now.

The fundamental problem was the lack of sequence and order in the questions you asked me. I assumed that after my last communication you would have corrected this. As it stands I cannot accept it in any sense of the word and I want to completely pull out of this whole project. I have no desire whatever to be represented in this fashion, so I request that you withdraw me from this entire project.

Very truly yours,

Laura Gilpin
