Secretary to the President
Colorado College
Colorado Springs, Colorado 80903

Dear Mrs. Reinhart;

Your most kind invitation to come to the College commencement weekend on June 2-3 has been received. I am very honored and moved by your request. I am judging from your letter that you do not realize that I am very much confined to crutches and a wheel-chair these days and I hope you will not find this inconvenient in making arrangements for my stay.

It is necessary for me to have someone to help me personally and if you will simply reserve a double room at the Broadmoor Hotel for myself and Ms. Margaret Schoonover, I would be most grateful.

I do not have a cap and gown, but I have the H.B.D. hood from University of New Mexico honors. My height is 5', weight 150 lbs., hat size 7 1/8. Thankyou very much for all the honors you are conferring on me, I appreciate it very deeply. Also, please thank Dr. and Mrs. Boyce, and convey information regarding my stay to him about my visit. Again, thank you, with best wishes,

Very truly yours,

Laura Gilpin
