Gentlemen;

I have received a booklet from you in which there is a reproduction of the jacket for THE ENDURING NAVAHO. It says that you are printing a paperback of this book. I have not given you permission to make a paper-back, though this seems to indicate that you are doing so, as there is a price quoted which is the same that the hard-cover edition has been.

As THE ENDURING NAVAHO seems to be still selling well, I would like to keep it as it is at the present time. Please advise me about this and thankyou.

Very truly yours,

Laura Gilpin
