Dear Miss Gilpin:

Enclosed are the proof sheets you sent up with Margaret Wood for Miss O'Keeffe's consideration. The photographs she is willing to let you use are marked in blue. She does not like the recent photographs of herself with the pot except the one where the hand seems to be out of focus.

Thank you very much for consulting with us.

We are off next Friday for two weeks in Costa Rica and Guatemala, and hope to see you during the Summer.

Sincerely,

Juan Hamilton

Georgia O'Keeffe
