Dear Miss Gilpin:

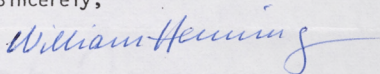

Thank you for advising me of your willingness to take part in the Fine Arts Center's second Contemporary Art Auction. You will remember from my earlier correspondence that we would like to have the artworks here in Colorado Springs about June 29th, although we can comfortably handle the items if we have them by July 6th. Don't forget to advise me about the pricing.

For our promotion and publicity purposes I would appreciate receiving from you at your earliest convenience an updated resume. We will be printing a brochure-guide which will feature a paragraph on each participating artist.

You may also recall from my previous letter that you (and your spouse or one friend) are invited to attend the opening of the preview exhibit on July 13, from 7:30 p.m. until 1:00 a.m. and then again for the auction itself on August 25th from 7:00 until its conclusion. I am here enclosing two tickets for the auction. The opening event on July 13th involves a buffet dinner so that I must have an R.S.V.P. from you no later than July 6th.

Once more, I am very pleased that you have agreed to submit works. I feel strongly that the exhibit and auction will be one of the major events of the 1979 season.

Sincerely,

William Henning
