

AMON CARTER MUSEUM

January 11, 1979

Dear Miss Gilpin,

It was very kind of you to invite Marie and me out to visit while we were in Santa Fe.

Immediately on leaving we decided we were foolish not to have bought a print and taken it with us then and there. Buying our first house has put buying anything more important out of our minds.

I thought we would look through the exhibition prints here and select something which we hope you will have already printed.

But that's business, and I will get in touch with you about it another time. This is just to say thank you.

Sincerely

William Howe
