Dear Ms. Brush:

I am sorry that you have not received a reply to your letter before now. I have recently returned to the Museum after being away due to illness.

A copy of your letter was passed on to Mr. Lane, and we have learned within the past week that he has decided not to make a purchase.

To complete the acquisition arrangements for the four photographs which our Trustees voted to purchase from Miss Gilpin, could you send us an invoice in duplicate?

Miss Gilpin's unpurchased prints will be returned to you shortly by insured mail. With best wishes.

Sincerely,

*Stephen B. Jareckie*
