Dear Laura,

I'm sorry it took so long.

There is a guarantee so if you have any trouble rush it back and I'll rush over with it. They say everything is in order. I hope so.

Things look like they might be breaking for me in April. I will have a show of my vanderbillean actors & actresses in Lincoln Center. It will be a big exhibit from April 6 - Aug. I'm real excited.

Things are very slow in some ways. Still haven't been paid by Holiday Mag. Don't that something? Lee Witkin said he would love to have some of your work

(over)

if you want to send it to him
instead of waiting for him to
come cuz he doesn't know
when that will be.

I am hoping Time Life have
called you by now. Carol Kismark
told me personally she would call
you.

I am hoping to get out there
soon. Don't know how, when or
what yet.

Hope all is well with you
and your good things are happening.

I'm going to be included in
a show at Philadelphia College of
Art show of the life works and
a few students of Alexey Brodovitch.
I am the ~~youngest~~ youngest student
in the show - Lizette Model and
I am the only woman.

Will keep you up on what's
happening. You keep me up too.
The best of everything -

Love,

Marcia
