Dear Laura

I am sorry the prints
were too dark for you.
Maybe you would prefer
them to be the larger
size? Let me know.

In the meantime,
please send all the
small prints back
since I would not want
them out if you find
them unsatisfactory.

Hope all is well and
you are in good health. Was in Okla several
times but didn't get to Santa Fe Hope in
the fall. Tell everyone hi for me.

Best, Marcia
