Ans Nov 19 m s

Miss Laura Gilpin
409 Del Monte Sol
Santa Fe, New Mexico 87501

Dear Miss Gilpin:

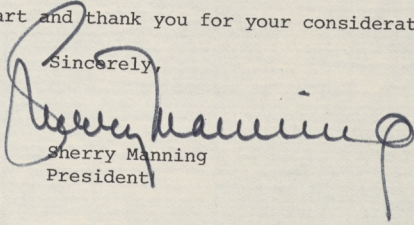

In recognition of your extraordinary achievements as a visual artist, the Board of Trustees, the faculty, and students of Colorado Women's College would be pleased if you would accept the honor of the 1980 Honorary Woman Exhibit to be held February 26-March 12 in the Lyle True Gallery of the College.

You are the seventh women artist selected since 1972 for the honorary Woman Exhibit, a tribute to your lifetime contribution to the visual arts and the excellence of the art you have created. The program was initiated to identify notable women artists and make their work available to the public. Over the years the exhibits have served as a source of inspiration for the art students at Colorado Women's College and artists throughout the community.

I hope that you will honor us by accepting this honor. Professor Joyce Eakins, chairperson of the art department, has been selected as our liaison to work with you to prepare the photographs you select for exhibition. It is of course our desire to organize an exhibit that will highlight the works you feel are most significant and we will make every effort to present an exhibition that will be in keeping with the excellence of your photography.

Thank you for your art and thank you for your consideration.

Sincerely,

Sherry Manning
President
