Dear Ms. Morales:

The Museum of New Mexico in-loan agreement number 179.77-Ed1 has expired effective August 1, 1979. This loan covers the 100 photographs which are currently being used in the Laura Gilpin Retrospective traveling exhibit.

The collections staff would very much like to renew this loan. If this is agreeable with you, please sign the statement below and return this original letter to me. The duplicate is for your records.

Thank you very much for your past consideration in loaning these items to the Museum.

Sincerely,

Carla Martinez
Registrar

I hereby agree to an extension of the in-loan, as noted above, to expire on October 1, 1979 under the original terms and conditions.
