Dear Laura,

It was a great pleasure to meet Jerry Richardson. He is a fine person and we got along easily and immediately.

I will send a copy of my letter to Viking to both you and Jerry. Meanwhile he will be in conversation with you and Amon Carter Museum. I think we are all in agreement that we want your book to be of sufficient size and scope to be considered The book on the photography of Laura Gilpin. Of particular concern to me is size, reproduction quality (or the exact printer) and quantity of color represented.

I am also concerned
that we work out the finances
as best we can in advance
so that the needs of the book
and its contributors are
sufficiently served. that is
why it is important to consult
together first, then with Amon
Carter Museum and then with
Viking. In other words, we
have thought it through!

Meanwhile - I leave for
New York on September 3rd
(taking Anne age 18 to college
enroute to New York on Sept 10)
and can be reached in New York
through JCP - to Ruth Silverman
212-860-1773. Thank you
for sending memorabilia. Call
Ruth if you have any questions.
Best,
Greta
