MORGAN

Dec. 3-1979

Dear Friends of Dear Laura Gilpin:

There are no words —
but please know that I am joining
you in Spirit — and in Laura's Spirit —
and I wish I could be with you all —
in shared commemoration of
her dear soul.

Blessings to Laura —
and Blessings to you all,

Barbara Morgan —
— and with Willard Morgan's spirit,
and he revered Laura, too.
