Dear Laura:

I certainly enjoyed my visit with you last week and I look forward to working with you on a variety of projects.

First of all, we're faced with a decision on the Black Box collotype project. We've narrowed our choice of possible subjects to two - - "Picuris Church" and "Storm from Labaganda". Do you have a preference for one over the other? Both of them, I think, would be quite popular. My personal preference though, is for "Picuris Church". It seems more closely identified with your work in the Southwest. Let me know what you think and I'll send a print off to Chicago.

Best wishes to you. Please give my regards to Jerry, Mary, and Sina.

Sincerely,

Marni Sandweiss
