Dear Mary Sue:

Thanks for your note. I'm glad to hear that Laura felt pleased with the filming and is recovering from all the excitement.

You can reach Fred White, Jr. at:

Frontier America Corporation  
P. O. Box 3698  
Bryan, Texas 77801  
713/846-4462

He quite enjoyed his film debut and is delighted with his photographic purchases.

I felt the filming went well and I look forward to seeing the rushes next week.

Thanks again for all of your help last week. Let's keep in touch. Perhaps you can tag along on Paul's next business trip to Dallas and come see the museum.

Best wishes.

Sincerely,

Marni
