Dear Ms. Gilpin:

In an attempt to reorganize the photography show for the 1979 Festival, we have planned an open meeting at Bill Field's home on February 22. (See enclosed flier.)

We hope to have a good turn out from photographers who are interested in helping us evaluate and improve the show for this year's Festival, and we would like very much to have your input in regard to the jurying or any other areas of the show on which you would care to comment. If it is inconvenient for you to attend the meeting but you have some suggestions, please feel free to jot them down or call the office at your convenience.

The Festival Foundation Board of Directors wishes to make every effort to produce a show of contemporary New Mexico photography that is of consistent quality and represents the best work being done throughout the state.

Sincerely,

Sara Sheldon
Executive Director
