

29 August

Dear Mary Sue-

Thank you for calling.

As I said, mostly we are in need of the two prints on this exhibition list that we do not have - The Storm (large one), and Tying the Chongo (any size). Could you please get these off by express as soon as possible. Be sure to pack very carefully. We have been receiving some bent items recently.

The enclosed list is of those works we will be exhibiting. Any other works that are around from the Viking book will be shipped back.

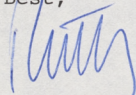

Please do return our loan form - applying to this list.

Also, as I said, we don't have Laura's guest list yet.

Glad you are there to help out. Just sorry Laura won't be able to come to the opening.

Please call if you need more info,

Best,

Ruth Silverman
