Dear Laura-

It was such a pleasure to be able to meet you while I was in Santa Fe.

I was surprised and pleased to learn, upon my return to New York, that you are so nicely featured in the exhibition now at the Whitney Museum. I had heard they were up to something over there, but being so involved in our own Recollections show, I had paid little attention to their project. It is a lovely show.

We all wish you could be here to see your own work taking up such a prominent place in New York, but hope this news filtering back will bring some pleasure.

I am enclosing a check for the lovely print that I chose of Mesa Verde. I am sure that it will bring me great happiness for many years to come.

Please give my best regards to Sina, Mary Sue and Jerry. I was wonderful meeting all of you.

Sincerely yours,
